

You are having surgery in an **outpatient surgical facility**. Three surgery claims will be filed to insurance as follows:

Office claim: Office visit and surgery

Professional claim: Repair of open wound (filed with same CPT code as Facility claim)

Facility claim: Repair of open wound (filed with same CPT code as Professional claim)

Our Benefits department will obtain your insurance benefits and contact you with an estimate for your surgery. On the day of your appointment we will collect the co-payment, co-insurance, outstanding deductible, non-covered and cosmetic charges.

Please bring your current insurance card(s), picture identification, and social security number. This will ensure accuracy of filing claims to your insurance.

Please refer to the “Welcome to the Practice Brochure” for further information regarding our office.

Please contact our staff in the Benefits Department with questions at 317-859-8263.
